(20 minutes minimum)

11. What would motivate you to live a life that is pure and holy?

12. How does the call to holiness challenge you at home?
Work? School? Community? Church?

13. If we're under grace and not under law, how can we help each other live more holy lives without simply compiling a list of do's and don'ts to hand out to new Christians?

14. What step can you take right away in order to live a more holy life?

The Empty Chair:

There's someone in your life who needs the fellowship and encouragement they can get through this Life Group. Take the time to invite them to our next meeting.
